### SPONSOR HIGHLIGHTS

The DSCA is planning this event as another educational program in the very successful series of DSCA Forums on Optimal Living.

In addition to attendees from the general community, DSCA represents a major target audience from which to draw with close to 35 condo associations and 3,000 residents.

We anticipate a Forum audience of over 200 and are allocating space for a maximum of 25 Sponsor tables.

Each For-Profit or Non-Profit Sponsor will be allocated a 6 foot draped display table at our event and 1 free lunch.

Sponsors will receive special recognition during the event as well as be promoted on our website, via email blasts, and through social media.

We encourage you to act fast as table openings and specific locations are available on a first-come, first-serve basis.

**Attendee Registration: \$30.00 for DSCA Members and \$40.00 for Non-Members.**
