- **Newborn Care Services: An extra set of hands to assist you in that important time**

Elite Family Care

Offers Special Program for On-Site Child Care During Unsettling Times

Debra and her team will design, manage, and oversee a program at your facility so that valued employees, volunteers, and supporters of your organization can have their children attended to while carrying out their responsibilities.

This innovative program was initially developed due to urgency for families of First Responders and Healthcare Personnel, but certainly has application to other types of businesses and non-profit organizations.

Call (941) 556-1117 or go to EliteFamilyCare.com for More Information.

**Debra Fortosis
Founder
Elite Family Care**

Debra founded Elite Family Care to provide reliable, safe, and compassionate caregivers for children and seniors.

Debra is also the Director of Senior Services. Her passion is the safety and wellbeing of your family members.
