

IN-HOME & TELEHEALTH CONCIERGE MEDICAL CANNABIS SERVICES

Josephine C. Krehl, MSW, LCSW
Cornerstone LifeCare Consultant
Medical Cannabis Specialist
(850) 653-6928
jokrehl@gmail.com

Josephine has played a crucial role in the development, implementation, and subsequent expansion of Florida's Medical Cannabis Programs.

She is as a member of the State of Florida Medical Cannabis Advisory Committee.

Josephine educates Healthcare Professionals on the benefits of cannabis as a therapeutic agent, provides guidance to authorized Medical Cannabis Physicians, assists in navigating patients and families through the Medical Cannabis process and facilitates individualized education/support sessions to both potential and currently registered medical cannabis patients.

Contact Josephine to schedule a Medical Cannabis Consultation and begin the process of getting your FL State Medical Cannabis Card.

MEDICAL CANNABIS FAQs

OUR CONCIERGE MEDICAL CANNABIS SERVICES

By engaging Josephine as a consultant you will be guided through a process to balance current treatments and medications with what may become safer, more natural, and effective.

Following are some of the different ways we deliver our Medical Cannabis Services:

- Telehealth Meeting with Individual or Group by Cornerstone LifeCare Consultant
- In-Home or On-Site Group Consultation with Cornerstone LifeCare Consultant
- In-Home Appointment with Certified Physician to process getting card and purchase products
- On-Site Group Educational Programs or Clinics with Certified Physician to process getting card and purchase products
- Scheduled Office Appointments with Certified Physician to process card or follow-up review

QUALIFYING CONDITIONS FOR MEDICAL CANNABIS

Common Conditions Include Cancer, Epilepsy, Glaucoma, HIV, AIDS, Post-Traumatic Stress Disorder (PTSD), Amyotrophic Lateral Sclerosis (ALS), Crohn's Disease, Parkinson's Disease, and Multiple Sclerosis (MS).

Additional Considerations Include:

- Medical conditions of the same kind or class as or comparable to those above
- A terminal condition diagnosed by a physician other than the qualified physician issuing the physician certification
- Chronic nonmalignant pain caused by a qualifying medical condition or that originates from a qualifying medical condition and persists beyond the usual course of that qualifying medical condition
